I.

1. OVERVIEW

Shalini Sahakari Bank Ltd. was incorporated in 1982 and has completed its 42 years of provision of wide range of Banking and Financial Services including commercial Banking and Treasury Operations.

3. USE OF ESTIMATES

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities at the date of the financial statements. Actual results could differ from those estimates. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Any revisions to the accounting estimates are recognized prospectively.

We are independent of the bank in accordance with the code of ethics issued by the ICAI together with ethical requirements that are relevant to our audit of the financial statements under the provisions of the Banking Regulations Act, 1949 and the rules made there under and under the provisions of the Maharashtra Cooperative Societies Act, 1960/2013 and Maharashtra Co-operative Societies Rules, 1961/2014 made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Responsibilities of the Management and those charged with Governance for the Financial Statements

4. The Bank's Board of Directors is responsible with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by ICAI, and provisions of the Banking Regulations Act, 1949, the guidelines issued by the Reserve Bank of India and the guidelines issued by the Registrar of Cooperative Societies, Maharashtra Co-operative Societies Act, 1960/2013, Maharashtra Co-operative Societies Rules, 1961/2014 from time to time. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Acts for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so..
5. Those charged with governance are responsible for overseeing the entity's financial reporting process.

Management's Responsibility for the Financial Statements

- Management is responsible for the preparation of these financial statements that give true and fair view of the financial position and financial performance of the Bank in accordance with the Banking Regulation Act 1949 (as applicable to co-operative societies), the guidelines issued by the Reserve Bank of India and the guidelines issued by the Registrar of Co-operative Societies, Maharashtra, the Maharashtra Co-operative Societies Act, 1960, and the Maharashtra Co-operative Societies Rules, 1961, (as applicable) and generally accepted accounting principles in India so far as applicable to the Bank. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation of the financial statements that are free from material misstatement whether due to error or fraud.

Auditor's Responsibility

- Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, or, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. .
