- The Card is non-transferable.

(c) The PIN

● The Card Holder is initially allotted a computer generated 4 digit PIN (Personal Identification Number) which will be in a secured and sealed PIN Mailer. The Card Holder is advised in his own interest to change this PIN to any other four digit number of his/her choice. For this purpose, he may use the PIN change option available at the ATM. While selecting a PIN, the cardholder is advised to avoid a PIN, which can be easily associated with him/her (eg. Tele-phone number, date of birth etc.) Besides, the selected PIN value should not compromise:

- * A sequence from the associated account numbers
- * String of the same number
- * Historically significant dates

● Please be cautioned that an unauthorised person can access the ATM services on the Card Holder's account if he gains the Card and the PIN. The Card, therefore should remain in Card Holder's possession and should not be handed over to anyone else. The Card is issued on the condition that the Bank bears no liability for the unauthorised use of the Card. This responsibility is fully that of the Card Holder. Further the Bank will not be responsible for any loss either direct or indirect on account of ATM failure / malfunctioning.

● The Card Holder should immediately change the PIN if it is divulged.

- Procedure for Notifying Lost Card:- Customers should inform the Bank in writing or by other means like telephone, email etc.
- in which case it should be confirmed in writing immediately.

(e) Debit to Customers' accounts

- The Bank has the express authority to debit the designated account of the Card Holder for all withdrawals / transfers effected using the Card as evidenced by Bank's records, and this will be conclusive and binding on the Card Holder.
- The Card Holder expressly authorises the Bank to debit the designated account with services charges from time to time.

(f) Transactions

- The transaction record generated by the ATM will be conclusive and binding unless found to be otherwise, on verification, and corrected by the Bank. The verified and corrected amount will be binding on the Card Holder. Deposit (cash, cheques etc.) will be verified by two officials of the Bank and the amount ascertained by them will be deemed to be correct. Errors will be notified to the Card Holder by mail or other means.

(g) Closing of Accounts
